These are the home learning tasks for Autumn Term 2. Your child should aim to complete **at least 3 tasks** from the choices on the sheet.

Class 4 Homework

Autumn 2

Victorians!

Hand in by Wednesday 16th December

Maths

Complete a maths homework booklet.
Ask if you would like one!

History

Find and research 5 things that were invented by the Victorians and think about what their modern equivalents are.

Reading

Read about a famous Victorian and make some notes of the facts you have learned.

Science

Find out about health and medicine in Victorian times including diseases like typhoid, smallpox and cholera.

English

Write a newspaper article about a significant event in the Victorian era (maybe the coronation of Queen Victoria?)

Geography

Investigate a country that was part of the British Empire during the Victorian era.

Design Technology

Make your own Christmas Cracker, invented by a Victorian called Thomas Smith. (Ask if you would like some instructions)

Music

The Victorians loved singing Carols at Christmas time. Learn the song 'Joy to the World'
